**170 Orientrax™**

Entrance Matting

Available Colors: Red Cinnamon, Hillcrest Sage, Blue-Gray

**Specialty**

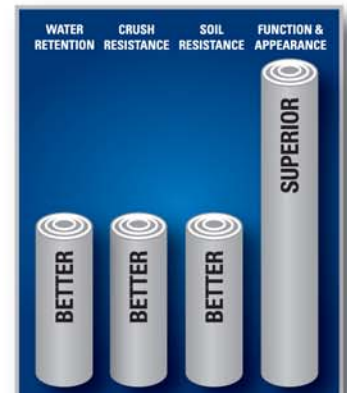

**O**rientrax™ combines the classic look of an elegant area rug with the function and durability of a high performance entrance mat. 24 ounces of twisted nylon fiber per square yard provides superior moisture absorption and retention, while a heavyweight non-slip backing ensures minimal mat movement. A dye-injection process that infuses dye throughout the entire yarn strand ensures that the vibrant color designs won't fade. Orientrax™ is a step above traditional single color entrance mats adding aesthetic appeal to any doorway.

|                                   |                                     |
|-----------------------------------|-------------------------------------|
| Dye Process                       | Dye Injection                       |
| Antistatic                        | Yes                                 |
| Carpet Pile (oz/yd <sup>2</sup> ) | 24                                  |
| Mat Weight                        | Approximately .5 lbs per square ft. |
| Flammability Test (DOC FF1-70)    | Pass                                |
| Flammability Test (DOC FF2-70)    | Pass                                |
| Launderable                       | Yes                                 |
| Mat Profile                       | 0.33"                               |
